DOM/DOI includes:

- **Basic Empty** mass/index (engines/IDG/APU oil, unpumpable & unusable fuel, hydraulic fluid, emergency equipment)
- **Galley/catering equipment** mass/index
- **Pantry/catering** mass/index
- **Portable water** mass/index
- **Toilet chemicals** mass/index
- **Crew and aircraft documents** mass/index

NOTES:

- On **YR-SKY**: 5th and 6th cabin crew are seated on row 1. In such cases, 1 or 2 seats on row 1 must be blocked for passenger check-in.
- On **YR-BEE/YR-JOY/YR-SUN**: 6th cabin crew is seated on row 1. In such cases, 1 seat on row 1 must be blocked for passenger check-in.
- In case of additional crew, they are seated on passenger seats and are reflected in total crew version on loadsheet and as XCR in LDM. DOM/DOI is corrected automatically on electronically issued loadsheet.
