DESTINATION THAILAND

Starting from 1st May 2025, all **non-Thai nationals** entering Thailand (including foreign residents with long-term visas or work permits) **must** complete the **Thailand Digital Arrival Card** (TDAC) registration, before their arrival in the country or before reaching the immigration checkpoints.

TDAC is an *online* entry form, designed to replace the traditional paper-based arrival card by digitally collecting passport information, travel and accommodation details, to **pre-screen** arriving foreign travelers of any nationals and make immigration faster, easier and more secure.

Pre-registration is permitted up to three (3) days prior to arrival by registering at <http://tdac.immigration.go.th>.

At the end of the registration process, travelers will receive a confirmation e-mail, along with a personal QR code for any further updates:
