	Withdrawal of COVID 19 Operational Restrictions and Policies	Revision	00
Approved by – Roberto Gutierrez – Director Ground & Operations Control		Date	02 May 2023
		Effective	Immediate

Background

The purpose of this Ground Information Notice (GIN) is to inform to Hibernian Airlines ground handling providers of the withdrawal of COVID operational restrictions/policies for flights operated by Hibernian Airlines.

Seeing as virtually all the COVID 19 restrictions have been lifted in all the countries in which we are currently operating, it has been decided to withdraw the operational restrictions and policies regarding COVID 19 which are no longer relevant, effective immediately.
