If the published baggage provisions, among all participating carriers, are not the same, will apply the published baggage provision of the Most significant Carrier (MSC); in case of code-share flights, the MSC will be the Marketing Carrier, unless that carrier publishes a rule stipulating that it will be the Operating Carrier (IMPLEMENTATION date 01April 2015);
3. If the MSC doesn't publish baggage provisions for the Interline journeys concerned apply the published baggage provisions of the carrier accepting the baggage at check-in;
