

SIL Issue 03/2026 SSR MINI/ New Group Boarding Process

Dear Partners,

As of 6 May, airBaltic introduces a new fare product – MINI. Passengers with the MINI fare will be identified in the DCS by a new SSR - MINI.

For passengers with SSR MINI, **no cabin baggage will be included**, only a personal item with a maximum size of 40x30x15 cm will be permitted.

However, passengers will have the option to purchase heavy hand baggage (12 kg) for an additional fee at the check-in and the gate – 40 EUR.

Changes in the group boarding process

Pre-boarding (PRB)	Families with small children under 5 years and passengers requiring special assistance
Group 1	Business class passengers, airBaltic club VIP and Executive members
Group 2	Economy flex and corporate fare passengers, passengers with prepaid heavy handbag
Group 3	Passengers with window seat and their companions (excluding passengers with SSR MINI)
Group 4	Passengers with middle seat, aisle seat and their companions (excluding passengers with SSR MINI)
Group 5	Passengers with SSR MINI

Cabin baggage must be verified **only** for passengers in **Group 5**, as passengers with SSR MINI have no cabin baggage included (personal item only).

Up to 5 passengers within the same PNR will be assigned to the same boarding group. If there are more than 5 passengers in the same PNR, the boarding group will be assigned individually.
