

Topic: Booked Figures & Specials in Altea CM Reservation

Dear Supervisors,

In airBaltic Altea CM we don't have the permission to see and check the inbound flights. With below 2 entries you can check the booked figures as well as the booked specials. These entries work on other airlines too which use Altea CM.

Booked figures:

LL/BT243/15MAY

Booked specials:

LP/*S(WCH*)/BT243/15MAY

The SSR you are searching needs to be added between the parentheses with 4 digit – UMNR, PETC, WCH*, DEPA, DEPU, MAAS, etc.
