

Weapons and ammunition acceptance on flights to/from Italy

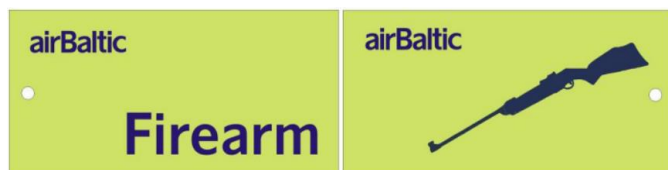

SIL Issue 01/2024 PAX

Effective from 21.08.2024

Dear Partners,

Please make sure, that the below mentioned prerequisites are obeyed whenever accepting weapons and ammunition on all flights **to/from Italy**.

- Weapon and ammunition are separated from each other and packed in two different rigid cases that are lockable by an integrated or a separated lock.
- Rigid case with ammunition **cannot be put inside the checked-in bag** and the same as weapon case must be labeled with FIREARM TAG.

**All other regulations as per BT GOM**
