Dear Partners,

In principle, dangerous goods are forbidden to be carried by passengers and crew, except as otherwise provided in **PG-YE-BK-001 GROUND OPERATIONS TRAINING DANGEROUS GOODS HANDLING RULES** and in line with Pegasus Airlines procedures.

(Pls see for details GOM 2.7.2.1 and 2.7.2.2)

During passenger baggage acceptance, handling agents at the check-in counter and boarding area must inform passengers about prohibited Dangerous Goods that are not allowed in their baggage.

The PG-GU-BK-008 PROHIBITED ITEMS IN CABIN AND HOLD BAGGAGE information card must be kept at the Airport Ticket Sales Office, Check-in Counters, and Boarding Gates.

If a passenger's baggage does not comply with the airline's baggage regulations, the airline reserves the right to refuse acceptance of the baggage for transport.
