Russia Travel Rules

our lowest fares are @
flypgs.com | **PEGASUS**

General Rules

- All passengers traveling to Russia **must have a valid passport upon arrival.**
- Travelling to Russia **with ID Card is not possible.**
- Russian visas are issued as **single, double or multiple entries.** Attention should be paid to whether single or double entry visas have been used before, and passengers with expired visas should not be accepted to the flights to Russia.
- **Damaged passports** are not accepted as valid travel documents by Russia (torn, wet, washed, etc.)

Single, double and multiple entry visa sample

- All passengers who want to travel to Russia **with a visa must have a valid visa in their valid passport.**
- **Visas in expired passports are not accepted even if the visa is still valid.**

Travelling with e-visa

- When traveling with an e-visa, all information on the e-visa must match exactly with the information on the valid passport.
- When traveling with an e-visa, all information on the e-visa must match exactly with the information on the valid passport. Passengers whose passport numbers and other information do not match should not be accepted to the flight.

Types of Residence Permits

- If there is a date on the 3rd line of the second page of the residence permit, this means that **the relevant permit is limited**. This date must be valid on the date of travel.

Süreli Oturum Örneği

- If there is only a line on the 3rd line of the second page of the residence permit or if it is empty, this means that **the relevant permit is indefinite**.

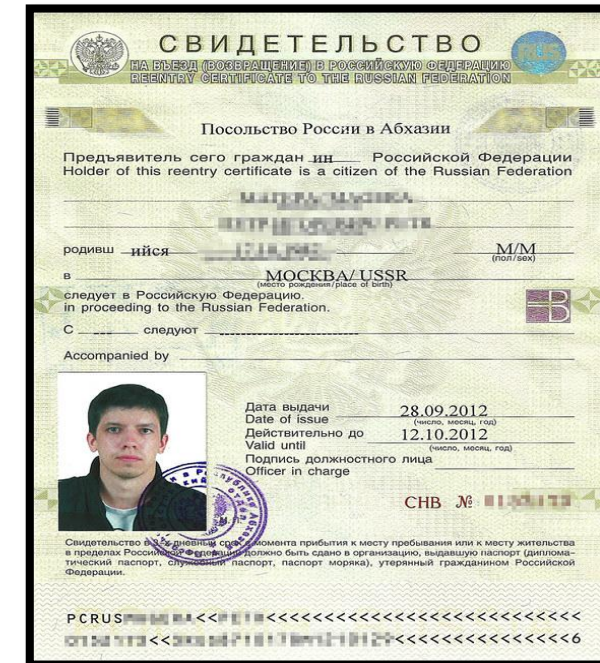

Süresiz Oturum Örneği

Other Documents

- The document below is a Russian “**internal**” passport. This document a person’s Russian citizenship but cannot be used as a border crossing document.

- The document below is the “**Return Certificate**” which provides the right to return to Russia. It is issued for Russian citizens whose passports have expired or who have lost their passports to return to their country. It **only provides the right to travel to Russia**.

We didn't start aviation in Türkiye but
we transformed it!

Thank you
