Dear Service Providers and Business Partners,

Due to the COVID-19 pandemic many countries around the world are announcing restrictions.

We would like to keep you updated with the latest restrictions affecting LOT Polish Airlines flights.

Below you will find the table containing information about testing/registration required for acceptance on LOT flights.

The country in this table is the country (airport) of destination.

Please be aware that it only applies to the entry requirements related to COVID-19 (non-immigration).

Please check if the transfer at WAW is allowable.

In case of any doubts please check **TIMATIC** or please contact staff on duty papa@lot.pl or **+48 536 363 098**.

NOTE: In case of denied check-in/boarding please remember to follow the procedure 'Denied check-in/boarding – SSR OTHS' (MEMO 03/ONP/2021 rev.1)
