 A STAR ALLIANCE MEMBER 	MEMO Subject: Embargo on transporting dogs to the USA from August 1 <sup>st</sup>	REG No: 12/ONPS/2024 Rev: 1.0
		EFFECTIVE DATE: 16.07.2024

Dear Ground Service Providers,

- Due to the new CDC regulations on bringing dogs into the US, **as of August 1<sup>st</sup> we are not carrying dogs as carry-on baggage in the cabin (PETC) or in the cargo hold (AVIH) until further notice.** It is still possible to transport dogs to the USA as cargo in the baggage hold.

Detailed CDC information can be found here: <https://www.cdc.gov/importation/bringing-an-animal-into-the-united-states/dogs.html>.

- Therefore, in JULY we are increasing the service limits of PETC on board B787 by +2 PETC in economy class, i.e.:**

Aircraft type	Max per aircraft	C class	P class	Y class	One cabin configuration
B787-900	6 PETC	1 PETC	1 PETC	<b>2 PETC + 2 PETC</b> 1 <sup>st</sup> seated in section C (row 9-20) 2 <sup>nd</sup> seated in section D (row 22-36)	N/A
B787-800	6 PETC	1 PETC	1 PETC	<b>2 PETC + 2 PETC</b> 1 <sup>st</sup> seated in section C (row 8-19) 2 <sup>nd</sup> seated in section D (row 21-31)	N/A

Transportation of more PETCs over the limit must be authorized by Space Control Section [spacecontrol@lot.pl](mailto:spacecontrol@lot.pl).

Thank you for your cooperation and attention to this matter.

Best regards,  
Ground Operations Bureau
