## Reason for Issue

There is an update to Appendix I: First Wave Timeline, for France only.

The 'First Wave Timeline – France' is being removed from the GHM pending an updated version while the Cabin Crew and Pilot sections of the card are under review. A new SI will be issued and GHM updated when version 2 is available.

## GHM amendments are as follows

Section	Title	Details
Appendix I	Turn Cards	Removal of First Wave Timeline – France.

## Appendix I – Turn Cards

First Wave Timelines for all bases excluding France and Gatwick.  
Turn Card for all airports.

The appropriate Timeline / Turn Card should be used as a framework for an on-time departure.

### I.2 First Wave Timeline – France

*Pending*

This SI makes a change to the published Ground Handling Manual (GHM). The SI folder should have this instruction placed in it until its effective end date. GOM, GHP & other parties must ensure effective implementation of this SI at a local level. The accountable staff member at each airport must confirm to their easyJet Manager that the SI has been understood and embedded with all applicable Ground Crew. Local cascade may include some or all of the following:

- a signed read and brief, regular team briefing sessions to ensure Ground Crew understand SI content
- specific training and assurance of content comprehension by Ground Crew
- review of local audit checklists & training material to include any changes
