The contents of this document are highly confidential and must not be shared with anyone else, except strictly for the purposes of providing ground handling services to easyJet. Copyright and all other intellectual property rights in the material belong to easyJet Airline Company Limited.

Reason for Issue

Appendix C of the GHM has been updated to reflect approval from all competent authorities for the new Dangerous Goods training syllabus.

GHM amendments are as follows

Section	Title	Details
C.3.1	Basic Training	Dangerous goods basic training – training and syllabus requirements are documented in OMDC Appendix I – Dangerous Goods.
C.3.2	Recurrent Training	All personnel required to have Dangerous Goods recurrent training are detailed in OMDC, Appendix I - Dangerous Goods.

This SI makes a change to the published Ground Handling Manual (GHM). The SI folder should have this instruction placed in it until its effective end date. AOCM/GOM, GHP & other parties must ensure effective implementation of this SI at a local level. The accountable staff member at each airport must confirm to their easyJet Manager that the SI has been understood and embedded with all applicable Ground Crew. Local cascade may include some or all of the following:

- a signed read and brief, regular team briefing sessions to ensure Ground Crew understand SI content
- specific training and assurance of content comprehension by Ground Crew
- review of local audit checklists & training material to include any changes
