This SI makes a change to the published Ground Handling Manual (GHM). The SI folder should have this instruction placed in it until its effective end date. GOM, GHP & other parties must ensure effective implementation of this SI at a local level. The accountable staff member at each airport must confirm to their easyJet Manager that the SI has been understood and embedded with all applicable Ground Crew. Local cascade may include some or all of the following:

- a signed read and brief, regular team briefing sessions to ensure Ground Crew understand SI content
- specific training and assurance of content comprehension by Ground Crew
- review of local audit checklists & training material to include any changes
