

MESSAGE OF THE MONTH – NOVEMBER 2025

GO SAFE

IN AIRCRAFT HOLDS

GO SAFE IN AIRCRAFT HOLDS BY:

- Checking that they are empty and serviceable
- Performing a hold security search (where applicable)
- Loading baggage in accordance with the LIRF and Loading form & certificate (LFC)
- Taking care when loading bulky items to avoid damage
- Loading baggage **BELLOW** the maximum loading line
- Ensuring that the nets are fastened and tensioned before departure – even if the hold is empty!
- Always report defects in the hold to the operating Captain
