Should you have any language difficulties, this translation is for your reference, kindly download the tag and print it out locally, for local use.

Please note that the translated tag does not replace the original EMA tag in English language, whenever labeling the EMA , use the original EMA tag, available in a printed form at all stations. Please refer to **GHM Chapter 5.3.3.7.3 EMA Tag** for more information about the usage of the tag.

If you have any questions, please reach out to us under [tago.handling-training@tui.co.uk](mailto:tago.handling-training@tui.co.uk).

Kind regards,
