### TRIAL X3: HBAG + Priority Boarding - Gate Payment at FRA

Dear colleagues,

As part of the ongoing trial for **HBAG + Priority Boarding** (ref. **GOIN 25-046**), we are introducing a **gate payment option** exclusively at **Frankfurt** for flights to **Palma** and the **Canary Islands**.

Passengers without the **HBAG SSR code** who wish to **keep their HBAG and get Priority Boarding at the gate** may now do so by paying **€50**. Upon payment, the passenger will receive a **blue bag tag** for easy recognition and handling. This applies only if the HBAG count is below 70, as per the existing process.

Please note: **Passengers are not required to purchase this option**. They can always check their cabin baggage into the hold **free of charge**.

### Additional Instruction for GHA:

Ground Handling Agents must complete the designated Excel document for each flight, indicating the **number of HBAGs sold**, the **total amount collected in €**, and any **relevant remarks**

The updated Excel file should be sent **Weekly every Monday** to: [gomsupport@tuifly.com](mailto:gomsupport@tuifly.com)

All other procedures remain unchanged.

Thank you for your cooperation.

Kind Regards

TUI Airline Ground Operations
