References:	Re-branding of iQSMS to SafetyManager365 & Comply365	

Dear Partner,

Re-branding of iQSMS to SafetyManager365 & Comply365

Effective March 30, 2026 Our Safety and Compliance database, formerly known as iQSMS, will be renamed to SafetyManager365 for safety reporting & Comply365 for compliance/audit reporting.

There are NO changes to any procedures, or how you access the reporting system and this notice serves as information only.

All references to iQSMS will be updated over the next few months. This includes TUI manuals, TUI training materials, and system access links.
