### Hold Items

TUI Airline seat only passengers: The confirmation email shows how many bags have been pre-paid, if total weight of all bags is greater than prepaid amount then excess charges apply. If a customer has not purchased any luggage allowance on a flight only ticket they can pay this fee to purchase a hold luggage allowance. If the customer already has a luggage allowance included in the ticket this fee cannot be used to purchase additional weight – per kilo charges will apply.

### Flight Only

If a customer has checked in hand baggage for free at check-in (TOM) and arrives at the boarding gate with hand luggage (or multiple pieces of hand luggage above our published guidelines) the gate bag charge can be charged. Customers are permitted one personal item and airport duty free in addition to their hand luggage allowance.
