Dear Sir or Madam,

With immediate effect the GENDECs required for crew entry to Cape Verde will be printed out by the respective flight deck crew as part of their crew briefing. The colleagues are instructed to hand over an additional copy to the ramp agent of their flight.

The ramp or OPS agent scans the document as either .PNG or .PDF and sends it by email to the email address of the authorities of Cape Verde supervisor.fronteira.aiac@gmail.com and to our supervisory agency on site at the addresses avs@avs.cv and avsbvc@avs.cv after departure of the aircraft

The printed copy should be added to the flight file.

If you need any further info or support please don't hesitate to contact us under groundoperations@tuifly.com

Kind regards,

Karin Haynol
