Dear partner,

We would like to inform you concerning the additional security checks during the period **1 to 30 June 2024**.

Due to the G7 Summit, anyone travelling to Italy must have a passport / ID card / identification document valid for the duration of their stay. When checking in at the airport, passengers flying to Italy need to be asked to provide their passport / ID card details upon departure as the APIS data must be entered.

Online check-in for all flights to Italy will require passengers to enter their APIS data. Passengers will not be able to complete the online check-in process without entering this information.

If you have any questions, contact your TUI Airline Station Account Manager or email gopsprojects@tuifly.com

Thank you for your cooperation and attention to this matter.

Kind regards,

TUI Airline Ground Operations
