Topic: TUIfly Staff Baggage Allowance

All TUIfly staff travelling with a reduced ticket irrespective of being on duty or private travel are entitled to:

- free baggage allowance of 1pc/20kg plus
- 10kg excess baggage free of charge plus
- 1 pc. sport equipment free of charge (has to be booked in advance)
- free desk check-in (no obligatory web-check-in)
- more pieces have to be pre-booked or purchased at airport
- free HBAG trolley (55x40x20 cm) with a maximum weight of 10 kg plus a personal item with the dimensions (40x30x20 cm)

These special conditions are only applicable for TUIfly employees – not for any fellow travelers (even under same booking number).

Employees must be in possession of a TUIfly identification card.

This rule only applies for reduced travel. For not discounted reservations the terms and conditions of the booking channel are relevant and crucial.

Thank you,
