Subject: Password for access to Aerodrome Manual

Dear Customers,

we offer you and your company the opportunity to view and download the Emergency Response Manual of Fraport AG (FRA Not) as part of the Aerodrome Manual (Part E, Item 19) to make it easier for you to access the current document and the associated annexes.

Since you, as a user of the airport, have access authorization for security-controlled areas (e.g., the apron), you and your company can view the parts of the Aerodrome Manual that are relevant to you, in accordance with VO (EU) 139/2014.

The following path takes you directly to the Aerodrome Manual in the password-protected area of our homepage:

The login details are:
