Topic: TIMATIC checks for Pegasus online checked-in pax with a second destination

For all online checked -in passengers on Pegasus with a transfer flight in Turkey we must check the TIMATIC properly till the last destination.

The screenshot displays the TIMATIC check interface. At the top, there are tabs for 'Terms & Conditions' and 'Show Seat Plan'. Below these, the flight itinerary is shown:

Flight	From	To	Class	Thurs	Departure	Arrival
Flight PC0096	Frankfurt FRA	Istanbul SAW		10.07.2025	17:45	21:55
Flight PC0582	Istanbul SAW	Giza SPX		10.07.2025	23:50	02:00

Below the itinerary, there are sections for 'Total Bag Weight' and 'Total Baggage'. A modal window titled 'Travel Document Check Result' is open, displaying the result: 'Germany(FRA)-Turkiye(SAW) --> YES'. The modal has an 'OK' button at the bottom. In the background, there is a 'Seat Selection' table and a 'Passenger Information' section with fields for Name, Gender, Nationality, Document Type, and Document Place.

If we proceed as a normal APIS check TIMATIC shows the answer only to Turkey.
