**Revision: 0 | Issued: 01.08.2025**

### **Topic: iPORT Infant Association**

Dear colleagues,

This is a reminder to ensure that every infant flying is properly associated with their accompanying parent in the DSC.

Failure to do so can lead to delays and wrong headcounts, which impacts the overall safety and efficiency of our operations.

Please take a moment and double-check this step during check-in.

Thank you for your cooperation!

Elena
