Topic: Corendon Airlines Reminder

Dear all,

I would like to remind you couple policies of Corendon Airlines.

- **Hand Luggage Policy**

Passengers with Eco-Fare tickets are only entitled to carry 1 piece of hand luggage with a maximum of 8 kgs.

No extra laptop bag, handbag ,duty free bag etc. are allowed.

If these passengers have 2 bags they need to check one of the bags in for a fee of 75€ as hold luggage.

Make sure the handluggage is labeled with the red Cabin tags!

- **Desk Check-in Fee**

Corendon Airlines had a 10€ fee for a counter check-in for most of the fares.

Please always pay attention to the **iSales** part of the DCS mask to make sure that there is no pending payment.

Thank you!

Elena
