

## Weekly Update

Dear all,

A few important topics:

### **Boeing Door Handle:**

Please pay special attention to the door handles on the Boeing A/C. A lot of times they are not closed correctly. In case you notice during your walkaround, you must inform the captain and recheck again. In case you notice on arrival, take picture and report to me, as always. 😊

### **Rush Bags Pegasus**

Pegasus only takes DHS and Pegasus Rush bags. No LH rush or other airlines.

### **SmartGo Usage:**

In case you forgot your password for SmartGo and cannot access it, you must report it immediately. In case this is not done, an official warning letter will follow.

### **Team Work:**

Please keep in mind that we are a team and have an open culture, where no one should be left behind. Please work together and also the passage colleagues are our colleagues. We are a team.

In case something bothers you, please let us know.

Thank you  
Laura
