

**READ AND SIGN****Revision: 0 | Issued: 01.12.2025****Topic: ITA Airways Hand luggage Procedure for ACC passengers**

Dear all,

Please pay attention to the following changes for ACC passengers on AZ flights:

- Passengers with final destination ACC must pay excess-baggage fees if their hand luggage exceeds weight or size limits.
- Passengers holding extra hand luggage must pay XBAG price and check them in.
- We are not allowed to collect handbags for free even on full flights for passengers flying to ACC.
- Handbags for ACC passengers must be carefully inspected at the check-in counters. Passengers to be encouraged to show all bags at the time of the check-in, so gate process would be smoother.

Thank you for your cooperation.

Elena
