Topic: Rush Procedure für Pegasus

Moin,

bitte ab sofort dieses Rush Formular bei jedem Rush verwenden, der von HAM mit einer Pegasus Maschine durchgeführt wird. Ich habe ein ausgefülltes Beispiel beigefügt. Bitte das Formular immer an den Rush Tag antackern.

Am Ende ist es wichtig, dass der TRC dieses Dokument vom Koffer abnimmt und es zusammen mit den anderen Dokumenten in den Flight File heftet.

Vielen Dank!

Falls Ihr Fragen haben solltet, gibt mir gerne Bescheid.

VG,

Aquil
