TUI LDS CONFIRMATION | Issued: 11.12.2025

Dear all,

We are now receiving LDS ACCEPTANCE ACARS MESSAGES via TELEX.  
From now on, all those messages must be filled in the folder.

**IMPORTANT: IN CASE ACARS ACCEPT MESSAGE IS NOT RECEIVED, CAPTAIN MUST SIGN THE LIR BEFORE DEPARTURE AS A CONFIRMATION!**

**!!TRC ALWAYS NEEDS TO CHECK WITH BACKOFFICE!!**

The screenshot displays the Collins Aerospace ARINC MAIL web interface. The top navigation bar includes the logo, 'Welcome FRALTXH', and links for 'Themes', 'Help', and 'Sign out'. The left sidebar shows a folder structure with 'FRA' highlighted. The main content area lists several emails from 'HAJITX3@adns.aero' with subjects like 'HAJITX3 081020'. Another red box highlights a selected email with the subject 'HAJITX3 081020' and the body text: 'LOADSHEET D-AHLK / X32258 VERSION: EDN01 ACCEPT'.
