Topic: Changes to Onload Priority for Staff Passengers

As of 1st February, onload priority for staff passengers travelling on leisure (Onload code: 99) will be based on seniority (date of join) only. The employee booking class will no longer be taken into account.

Amadeus Altea DCS stations

Please accept passengers according to Onload Priority list in DCS (list 16). Onload Priority list will be updated accordingly.

If you have any questions, please let me know!

Regards,

Aquil
