

WEEKLY 15

OFFLOADED HANDBAGS FROM THE CABIN

Carry-on bags that cannot stay in the cabin and are removed by the crew can only be placed in the aircraft hold if they can be clearly matched to their owner.

The cabin crew must tell us which passenger the bag belongs to. If they cannot identify the owner, we will not accept the bag in the hold.

PASSENGERS PASSING BY THE GATE WITHOUT SCANNING THEIR BOARDING PASSES

Please be careful at the gate during boarding. Every passenger who enters the aircraft must be boarded in the DCS.

HBAG ON HISKY

Please don't collect carry-ons free of charge on HiSky.
