

WEEKLY 16

STATION: FRA

PRIORITIZING ON TIME FLIGHTS:

Due to the weather conditions, we are experiencing late arrivals. If one flight is delayed and the other one is coming on time, focus on the flight coming on time. To ensure the correct priorities are taken communicate with TRC and Supervisor on shift.

DEREGISTERING THE GATE:

Due to the capacity of the airport sometimes two flights share the same bus boarding door. Make sure you deregister the flight as soon as the gate is finished so the other airline can start with their boarding.

SAFE BOARDING:

For everyone's safety, all passengers must be properly checked and boarded at the gate. Every boarding pass and passport must be carefully checked to ensure they match. Focus and pay attention to avoid incidents.

T3 FAMILIARIZING E-LEARNING:

On Feb 6th Fraport resent the credentials for the T3 familiarizing e-learning to all who have not completed it yet. Please kindly check your inboxes, and please complete the training by the end of the month.

KEEP THE BREAKROOM CLEAN:

Everyone wants to have a coffee break, lunch or just relax for couple of minutes in a clean space.

A clean break room is everyone's responsibility!
