

# DHS NEWSPAPER

**WEEKLY 19**

**STATION: FRA**

## **BOARDING PASS FOR CBBG**

Boarding passes are meant for passengers only. If a passenger has a boarding pass for a musical instrument or any other object, please stop them and don't board the CBBG.

## **TENSATOPS & BAGGAGE SEIZER**

Once you have finished the check-in, please kindly bring the seizer to the storage room and the tensatop back to the office. Don't leave these at the check-in.

## **LOCKER KEYS**

Please don't leave the locker keys in the gate bags, but place them on the wall, so the next person who needs them can also easily find them.

## **POS & MOBILES**

Please always bring the POS and the mobiles back to the supervisor's office.

## **BREAK ROOM**

Today the break room was cleaned again. The last it was cleaned was approx. 2 weeks ago but it already looked like a warzone.

Please kindly keep the break room clean. If you just put your own trash into the bin, and the material that you used back to where you took it from, the break room won't look like as it did today.

## **SAFETY**
