

## Topic: Reminder airBaltic Group Boarding

Dear all,

I would like to remind everyone again, to please strictly follow the rule with Group Boarding on bridge position gates.

Please don't open all groups together in the DCS System, always step by step. As we communicated.

Also, I would like to remind you to put the Group Boarding comment into the monitors when you reach the gates, open the APP FIDS and right down,

Easy example: **We will board by groups, please wait until your boarding group will be announced.**

Please make sure that you follow this rule on all BT flights.

Thank you!

If you have any questions, please feel free to contact me.

Regards,

Aquil
