

Topic: Bag Drop Counter - HiSky

Dear All

With immediate effect please use the below counter setup on HiSky. The airline would like to have a dedicated Bag Drop counter, so:

- In case of 2 counters: 1 Bag Drop + 1 Regular
- In case of 3 counters: 1 Bag Drop + 2 Regular

The Bag Drop counter must have a dedicated line in front of it.

For the Bag Drop counter please use following FIDS:

Airline Filter	HYS - H4	x v
Banner	HYS300, HiSky, H4, HYS, Bannerlogo	x v
Inhalt	FAG780, Freitext	x v
Vorschau	<div> BAG DROP</div> <div>Texthintergrund Blau Text BAG DROP</div>	

And for the regular counter please use the full logo:

Airline Filter	HYS - H4	x v
Banner	Ohne Banner	v
Inhalt	HYS010, HiSky, H4, HYS, Logo	x v
Vorschau		

Thank you!
