

## Topic: Domestic Transfer Flights in Turkey

Dear Partners,

We would like to remind you of a topic that has been made a mistake recently.

If passengers have domestic flights in Turkiye in their flight plans, relevant passengers must obtain a visa to enter Turkiye prior departure.

For example, if a passenger wants to travel to CGN with the AMM-ESB-SAW-CGN route and there is a domestic flight between ESB-SAW on this route, the passenger must enter the country (pass through passport control) at ESB.

As you can see in the example below, the flight numbers for ESB-SAW and SAW-CGN are different. In this case, the passenger must meet the entry requirements for Turkiye.

This applies to all tickets that include a domestic segment.

PC1711	Wed 17/04/24	Dep. Time 13:00	Arr. Time 15:35	Amman AMM	Ankara ESB	Qclass-	Aircraft A-320-18	Status HK
PC2669	Wed 17/04/24	Dep. Time 18:20	Arr. Time 19:25	Ankara ESB	Istanbul SAW	Wclass-	Aircraft A-320-18	Status HK
PC1013	Wed 17/04/24	Dep. Time 22:05	Arr. Time 00:30/1	Istanbul SAW	Cologne CGN	Qclass-	Aircraft A321-200	Status HK

Passengers who have domestic connecting flights but do not meet the necessary conditions to enter Turkiye cannot enter the country and the airline will be fined because of the passengers.

For this reason, we kindly ask you to allow the passengers to be admitted to the flights after their flight routes are carefully checked.

Thanks in advance for your valuable cooperation.

Best regards,
