Topic: Important Announcement: Ban on Carrying Pagers and Walkie-Talkie Devices for BEY Flights

Dear Partners,

In accordance with a new regulation, carrying pagers or walkie-talkie devices on board is prohibited on all flights departing from or arriving at Beirut Rafic Hariri International Airport (BRHIA/BEY). This ban applies to all such devices, whether they are in personal bags, cabin baggage, or cargo. Non-compliance will result in the confiscation of these devices by airport security authorities.

This regulation has been implemented in line with airport security standards to ensure the safety of all passengers. We kindly ask all our passengers to be aware of this ban and plan their travels accordingly.
