### **Topic: LFI Online Checked Inn Passengers at the Gate with Lithuania ID CARD**

Good afternoon der Team,

2 days before we had again an online checked inn passenger who was carrying a Lithuania ID card to SAW. Please be aware, not every European Country is allowed to enter Turkey with an ID card. The passenger was at the end an INAD.

Here is as a reminder a list of the countries, please save this list or just have it in your mind, to always double check when you see DOCS which are not common to Turkey, makes the life easier. Please!

Please try to focus more on DOC checks, you guys are doing a great job, we all are human mistakes happen, but still, these kinds of mistakes we can avoid.

The list is attached on the 2<sup>nd</sup> page.

Thanks!

Regards,

Aquil.
