Topic: Information About Syrian Citizens Travel to Egypt

Dear Partners,

We would like to make an important announcement regarding Syrian nationals traveling to Egypt. In line with the new decision issued by the Egyptian Government, all Syrian nationals wishing to travel to Egypt are required to hold a non-tourist Egyptian residence card in order to be allowed entry.

This regulation is a new requirement for entry to Egypt, and it is crucial to check all necessary documents prior to travel.

In cases when you are not sure about the rule, please do not hesitate to contact [@PEGASUSVISA](#) or our WhatsApp support line.
