

## Weekly Update/ News

Dear all,

kind reminder about **LBA checks at ITA Airways**:

In case you have LBA on position, immediately contact **Ece** (in case she is not on duty, contact **Giulia**).

Please also inform Backoffice!

### **Working with the Aircraft:**

As a TRC at DHS you are prohibited to do any job on the Aircraft. You **are never allowed** to remove or set chocks, set the fuel consul, open or close doors nor to connect or disconnect the GPU.

This is completely prohibited!!

Please always contact WISAG or FRAPORT to do these tasks.

Fuel consul: needs to be set by the fueller or the Pilot.

Thank you!
