## **Topic: New Turkish E-Visa Regulations: Age Limitations for Egyptian Citizens**

It has been announced that the age limit for Egyptian citizens traveling to Turkey with an electronic visa (e-visa) has been lowered to 15 years old, effective from January 24, 2025. This new application applies to Egyptian citizens who are under 20 years old and over 45 years old.

The change in the e-visa entry rule for Egyptian citizens has been extended until January 31, 2025. Visitors who obtained their e-visa before January 24, 2025, will be able to enter Turkey without additional documents.

For example, if an Egyptian citizen between the ages of 15 and 20 obtained their e-visa before January 24, 2025, they will be able to travel to Turkey with an electronic visa without any additional documents until January 31, 2025.
