Topic: Refugee Passport Travel Rules for Lebanon (BEY)

Dear Partners,

We would like to inform you about the recent frequent issues experienced on our BEY (Beirut) flights:

Lebanon only accepts refugee passports issued by its own government without a visa. All other refugee passport holders must have a valid Lebanese visa to enter Lebanon.

Therefore, refugee passport holders traveling to Lebanon, **if they do not have a valid visa issued for Lebanon, please do not accept to BEY flights.**

Thank you in advance for your attention to this matter.

Regards,

Aquil
