## Topic: NOREC on LEAV

Dear All

In case passengers are missing on the PNL from LEAV, please contact [goe@leav.com](mailto:goe@leav.com) to get a written confirmation whether or not we can NOREC the passengers.  
Should you need an answer urgently, you may call them under +49 170 2993979.

But please don't rely on the ACS representatives who are present at the check-in. They are not from LEAV, and we need the confirmation from LEAV.

Thank you!

Norbert
