Topic: Latest Update on Syrian Nationals Travel to Lebanon

Dear Partners,

In accordance with the latest update from the Lebanese authorities, the travel conditions for Syrian citizens to Lebanon (BEY) have been updated.

As stated in our previous announcement, the requirement for an entry/exit stamp from European countries for Syrian citizens traveling to Lebanon has been lifted.

However, based on the latest notification received today, it has now become mandatory for the relevant passengers to hold a valid residence permit from a European Union country.

Accordingly, Syrian citizens will be able to travel to Lebanon, provided they have a valid residence permit from one of the European Union countries, regardless of their legal entry status.

We present this for your information and thank you for your support and cooperation.
