Topic: Gate Closure and FIDS on LEAV Flights

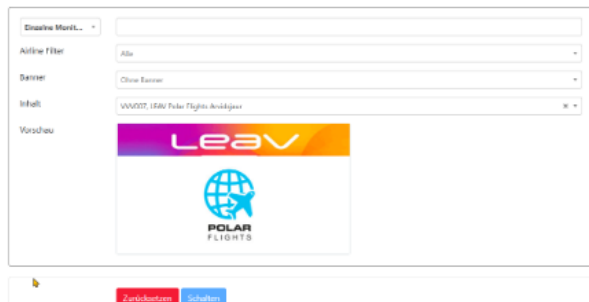

Dear All

LEAV would like us to be strict about closing the gate on time at STD-15 or in case of delay ETD-15. Should any passenger be missing for boarding 15 minutes before departure time, the airline would like us to offload this passenger including their bag and do not have the bus waiting for them at the gate.

Being able to depart on time is a very high priority for LEAV, and with this they would like to promote that.

Furthermore, a new logo is now available for the LEAV flights to Arvidsjaur. Please kindly use this at all check-in counters.

Das Sonderlogo steht Ihnen nun ab sofort im System TMC (TRAVIS MEDIA CENTER) unter dem Namen VVV007 LEAV Polar Flights Arvidsjaur zur Verfügung.

Thank you for your support!
