Topic: About the New Visa Regime for Bgw & BSR

Dear Partners,

Please be informed that, effective **02 March 2025**, there will be a change in the **Visa on Arrival** process for BGW. All previously eligible nationalities (**USA, UK, China, Russia, Australia, South Korea, Japan, New Zealand, Switzerland, and all EU countries**) must now apply and obtain their visa **before travel** through the official **eVisa portal**: **<https://eservice.evisa.iq>**

New Process:

- Passengers must visit the eVisa website: **<https://eservice.evisa.iq>**
- Select the **"Visa on Arrival"** option, complete the application, finalize the online payment, and obtain the eVisa before being accepted on the flight.
- Processing time is currently unclear; it may be **immediate or take 1-3 days**.

Please do not accept any passengers traveling to BGW unless they have applied through the eVisa link and obtained their eVisa.

Exemption: Only travelers holding an Iraqi identity card are exempt from visa.

Regards,

Aquil
