Topic: About Expiry Date of Saudi Arabia Umrah E-Visas

Dear Partners,

We would like to provide you with important information regarding the validity period of Umrah e-visas issued by Saudi Arabia.

The Umrah e-visa is valid for 90 days from the date of issuance. (For example, in the sample e-visa below, the issuance date is 07/12/2024, and the expiration date is 07/03/2025.)

As of 13 April 2025, due to the commencement of the Hajj season, entry into Saudi Arabia for Umrah travelers will no longer be permitted. Additionally, the Umrah e-visa is single-entry only and does not grant multiple entry rights.

Should you require further clarification, please do not hesitate to contact us.
