| <br>A STAR ALLIANCE MEMBER  | MEMO<br>Subject: LIST OF DOG BREEDS FOR CR82 IATA LAR | REG No: 05/CARGO/2023      |
|   |   | EFFECTIVE DATE: 26/06/2023 |

**As of June 26, 2023, we are introducing the following additional dog breeds to the above-mentioned list of breeds requiring the use of a CR82 container:**

Staffordshire Bull Terrier,  
American Pit Bull Terrier,  
American Bully,  
Karabash / Kangal,  
Caucasian Shepherd;  
Rottweiler'  
Bullterrier,  
Mojorca Dog,

The requirement to use the CR82 container also applies to crosses of the above-mentioned breeds.

LOT Polish Airlines does not accept damaged and repaired cages / containers for carriage (with clear interference in the cages / containers structure)

The above-mentioned changes will be included in the next edition of IATA YEARS (50)
