Dear Handling partners,

We would like to remind you of the following:

With reference to Regulation CAT.POL.MAB.105(a)(3) Mass and balance data and documentation

The mass and balance documentation shall contain the following information:

(3) Name of the commander.

This requirement showing the commanders name has been missed off some loadsheets by some local DCS stations. Please can you ensure that the commanders name is included on each loadsheet. This is generally added to the SI section.
